

Notes from meeting 1st September 2014 at Jubilee Hall

1. Apologies received from Linda Smith. Present 8 members of Salhouse 2020+
2. NT gave an update on the current situation – The Terms of Reference have been submitted to the Parish Council for approval; the request to designate the Plan Area has been sent to BDC; as yet there has been no feedback from the Saga article and flier.
3. CD gave a review of the discussions with a consultant and we should have some figures for consideration before the next meeting. NT had spoken with BDC to ascertain the extent of the use of consultants by other NP groups in their area. They had confirmed that Acle, Brundall, & Drayton were using Ingham Pinnock; Gt & Little Plumstead had used Absag? (a company run by Shaun Vincent who has portfolio for planning at BDC) and Gt Witchingham / Western Longville were speaking with Richard Summers (as are we). Sprowston and Strumpshaw did not use consultants. After discussion it was agreed that we should engage a consultant **provided that the necessary grant to cover the costs was obtained.**
4. It was agreed that our next move was to meet with BDC to go through our 'vision document' in some detail - to make sure that we do not spend time preparing policies that will not be in compliance with NP rules. We will then meet with landowners to update them on progress. At our next Salhouse 2020+ meeting we will prioritise the items to go into the Plan and then arrange how we can meet with village groups, have a drop in session at the Bell (and maybe Coffee shop) and start thinking about another open day.
5. Date of next meeting set for **Monday 29th September – office Jubilee Hall 7.30pm.**
