

TEAM SALHOUSE

Proud of our Village

Formed some four years ago Team Salhouse has been helping to improve our village and some of the things we have achieved are:

- Created flowerbeds to bring a splash of summer and winter colour
- Planted over 20,000 spring bulbs
- Erected conservation boards by the village ponds with information on the flora and fauna
- Installed 5 bench seats
- Removed sedge from the pond in Hall Lane to make it more visible
- Regularly litter pick around the footpaths, playing field, railway station etc.

We are a small, friendly team but are always keen to have more helpers, so if you can spare an hour or two from time to time ring 01603 721201 and speak to Malcolm.

Come and join us, have fun and make that difference to our village
